Hello and welcome! Thanks for picking up this book...

Here we are again, folks. Some news of note for those who've been following us... Inker Solomon Kresnik tied the knot on November 18th with his sweetie, Lisa, in a small ceremony in Massachusetts. So as a result, Sol only inked the first five pages of this month's book, and Jason did the rest. (Actually the editor was late getting the late coming pencils out to him, but that's another story for another time.) Randy Pickering is selling t-shirts and mugs of his great looking art at his website

www.geocities.com/superfighterg

so you all should go and visit, and buy a page of his original art from issue 10 of this series.

Only two more issues left in this series, but don't despair! I'm planning on doing more comics in 2001, and next month, I hope to announce a website where you'll be able to get updates on what the future holds for Jackleg Comics. Also watch for reviews of this little book on the web in various places. We're going to be conventioning in Kansas City come March 2001, so watch for us there, too.

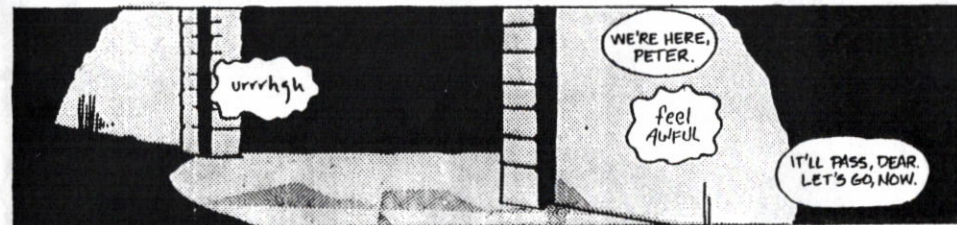

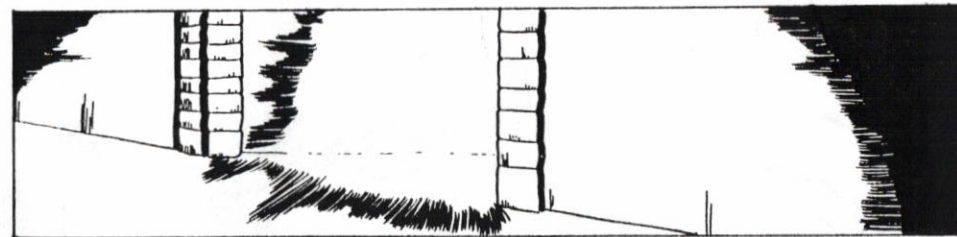

If you'd like to purchase a complete set of Jackleg Comics for yourself or as a gift, simply mail \$12.00 (US funds) to us at the address at the top of the page, and we'll mail all fourteen issues directly to your door! It's easy, safe and you never have to leave the house. It's a small price to pay for 160 pages of the most ambitious mini comic of 2000. See you next month with part 2 of "Eight by Eight" with art by Arnett and Kresnik.

Ciao, Jason.

FOR THOSE JOINING US TODAY...

Jennifer Wyndham, thought dead for 30 years by her husband **Solomon**, is God. She created the world on contract as an entertainment playground for her patron, **Mr. Kozcheit**. She left Solomon and their son behind to solve a problem being created by her project manager **Gustavo**. Now, Gustavo is behind all the problems on Solomon's earth and his minion, **Jackson Rand**, is holding Sol, Jenny, **The Peanut**, and **Abby Mabry** at gunpoint....

WHAT ABOUT KOTZHEIT?

HOW MUCH INTERFERENCE CAN WE EXPECT FROM HIM?

GOOD. PETER'S OUR HOME BASE. HE'S TUNED IN TO ALL THE TEAMS AND CAN HEAR AND TALK TO ALL OF US. HOWEVER, TO AVOID CONFUSION, WE WON'T HEAR EACH OTHER.

IF YOU RUN INTO ANY TROUBLE, CALL AND HE SENDS HELP. NO ONE TAKES ANY CHANCES, UNDERSTOOD?

HE'S INDIFFERENT AT BEST.

WE'RE ON OUR OWN.

I CAN'T FIGURE WHERE I KNOW YOU FROM, LADY,.... BUT SINCE YOU'RE WITH THOSE TWO, ALL BETS ARE OFF. GET READY...

D'YOU KNOW HOW TO SPEAK WITHOUT USING TIRED CLICHES?
